

01/19/10 - God Doesn't See It

In Paul's epistle to the Romans, in chapter 6 verse 23, he writes "For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord."

Many people and/or some particular religions believe that they can balance their sins and their good works to make it heaven. They try to keep a scorecard or a tally system to see if they sin this much, and if they do this much amount of good works, hopefully God will over look their sins. However, what we fail to understand is we are dead to God when we sin. We are born sinners, so when we are born in the flesh, our spirits die in the eyes of God, until we repent and are born again. As Jesus said, we **MUST** be born again! Due to the fact that we are dead in our sins, we can do 99.9% of good in our lives and 0.1% of sin in our lives, and we will still be condemned to eternal damnation. You wonder, "I thought this God you speak of is merciful, graceful, loving, and caring." My friends, **HE IS!** That's why He sent His **ONLY** begotten **SON** to so that all who believe in Him can have everlasting life. What more can we ask for? Our sins will always outweigh any good that we do in our lives. Just the fact we are born sinners outweighs any good that we can ever do. If we look forward to judgment day to be judged for our works, and we haven't asked Christ Jesus to cover our sins with His precious blood, in all honesty God will not even know of your good works. The same way we are blinded by sin, God is blinded by our sins and is unable to see our good works. That is why we cannot work for salvation or save ourselves. If we could, then we did not to be saved and God made a mistake by allowing His Only Son to die on a cross for our sins. Our sins will never disappear, but surely they will be covered with the blood of Christ, God's sacrifice for us. God will always know we sinned, but He will not be able to see them because it is covered by the precious blood of His Son. For those who stop reading the Bible at the gospel of John, please keep reading as it clearly and explicitly describes why our good works mean nothing to God until we accept Christ. Amen.
