

11/08/09 - I Must Be About The Business of My Father!

Be about the business of our Father. Let him fulfill His will through us. Let us not view life based on our own understanding but through the understanding of the Lord. Share the word of the Lord through your actions so you may captivate the ears of our audience so they can openly, freely, and willingly listen to the word of the Lord.

In any situation you may be in, deliver the word of the Lord. Until the whole world hears, our duties are not done for the Lord. Whether we may lose our vision, our hearing, our ability to write, we still have a way to deliver the message. For if we are deaf, dumb, mute, and blind, we still have the power of prayer to share the love the Lord. We must not rest until our bodies past away and our spirits are have returned to our Father. Even in our final farewell, and we are no more, leave the message to all those you have left behind on earth, and that you will be waiting for in the Kingdom of God, to love the Lord, with all you heart, all your strength, all your mind and soul.

37 Jesus said to him, " ?You shall love the LORD your God with all your heart, with all your soul, and with all your mind. 38 This is the first and great commandment.

Matthew 22:37-38
